## Guidelines for the use of the Algonquin Hills Subdivision Boat Launch

Located at the corner of Melvina and Lowe Drive.

1. The boat launch is for the exclusive use of dues paying residents and homeowners in the Algonquin Hills Subdivision.
2. Loaning or duplicating keys is expressly forbidden and shall result in suspension of launch privileges and forfeiture of deposit.
3. Every effort should be made to make sure that launching and removal take place between sun rise and sunset and are in accordance with all local ordinances. This process should be accomplished as quietly as possible. Users who unnecessarily disturb adjacent property owners risk loss of privileges and deposit.
4. The barrier shall be locked after each launch and removal.
5. Vehicles and trailers shall not be parked on Lowe, Melvina, or Wildwood without the adjacent property owner's permission. There is limited parking in the vicinity. Please contact the Harbormaster for locations, terms, and conditions.
6. Users shall assume any and all liability for any and all damage resulting from accident or misuse of the launch area, beach, piers or adjacent private property. Users shall hold harmless the Algonquin Hills Improvement Association Officers, Directors and Membership for any and all property damage or personal injury, accidental or otherwise, resulting from the use of the boat launch area.
7. A \$35.00 annual maintenance donation is requested in order to cover the costs of maintaining, protecting and preserving the boat launch.
